Overview

Fray'z Function Hire was established in 2009. Owner, Fay, is a young, dynamic and progressive individual whom incorporates these qualities including her personal style and flair into FRAY'Z.

This Company was started as a home based industry but Fay is proud to announce the grand opening of her store as from March 2012. She also sets up as oversees all function detail.

Target Market

We supply equipment to all corporate companies, religious organisations as well as the individual and educational institutions.

Ordering

Orders are taken telephonically, via email and through walk in visits at the FRAY'Z showroom. Clients layout their requirements and we assist with the various choices of decor, and putting a theme package together.

Once the choice is made a quotation / invoice is issued. A refundable deposit i.e breakage cover is charged and reimbursed provided all goods are returned in same order as received.
